BRIGHT33 WARRANTY

Bright33 Products LLC ("Bright33®") warrants to the ORIGINAL PURCHASER ("Customer") that this light emitting diode (LED) fixture, including its LED arrays, LED drivers and integral control devices (the "Product"), will be free from defect in the manufacturing of the Product, under use of the Product as recommended by Bright33 within five (5) years of the manufacturing date (the "Warranty Period"). The finish material is warranted for a period of one (1) year. This warranty covers defects in manufacturing discovered while using the product as recommended by the manufacturer. If the Product fails due to defect in manufacturing during the Warranty Period, Bright33 will replace the defective Product or provide a refund, at our discretion.

LED PRODUCT WARRANTY

If the product supplied by Bright33 fails due to defects in material or workmanship within the first five (5) years of purchase date by the Original Purchaser, Bright33 will replace the defective unit free of charge. This warranty covers defects in manufacturing discovered while using the product as recommended by the manufacturer.

INCANDESCENT PRODUCT WARRANTY

If the incandescent "socket" product supplied by Bright33 fails due to defects in material or workmanship within the first one (1) year of purchase date by the Original Purchaser, Bright33 will replace the defective unit free of charge. This warranty covers defects in manufacturing discovered while using the product as recommended by the manufacturer.

FIXTURE FINISH WARRANTY

The finish material is warranted for a period of one (1) year. This warranty covers defects in manufacturing discovered while using the product as recommended by the manufacturer.

WHAT IS NOT COVERED?

This warranty does not cover, and Bright33 is not liable for, damage or loss resulting from accident or acts of God, installation, modification, maintenance or repair of the Product, use of the Product for unintended purpose(s), failure to use the product in accordance with instructions, use of abrasive or organic solvent cleaners on or with the Product, or misuse of the Product. Bright33 recommends using a professional electrician for installation or repair of the Product.

HOW TO OBTAIN WARRANTY SERVICE

Contact our warranty department at bright33.com to report the defect and obtain a return code. Send failed Product with proof of purchase, name, and address within thirty (30) days of failure to:

Bright33 Products LLC
5700 Lee Rd S
